On Thursday, May 21, the Senior Class participated in the annual "Senior Skip Day." Recently it has not been possible to take extended trips, so the "Skip Day" was instituted.

Bright and early approximately seventy-five seniors loaded coolers full of soft drinks, frozen hamburger patties and hot dogs on to the buses. This year their destination was Kensington Municipal Park near Brighton, Michigan.

Upon arrival, the seniors scattered in seventy-five different directions. Around noon they cooked lunch. The seniors and chaperones enjoyed a fare of potato chips, baked beans, potato salad, cookies, soft drinks, and slightly charred hamburgers and hotdogs.

Following lunch, the group fell back to the morning's routine. Some played catch with softballs or frisbees; some swam, while others lay in the sun or played touch football.

At 4:30 the seniors were reunited with their chaperones, Mr. and Mrs. Rice, Mr. and Mrs. Shreve, Mr. and Mrs. Ruell, and Mr. Mauro, Senior Advisor. Mrs. White and Mrs. Albertson drove the buses and helped chaperone. They all boarded the buses for the ride home. At 6:30 seventy-five hot, tired, seniors and their chaperones arrived at the high school.

Relaxing and enjoying the sun on their day off from school are seniors (L to R) Sue Kurkowski, Jan Hennigan, and Kris Myszak.
