

SENIORS CONTINUE MOCK ELECTIONS

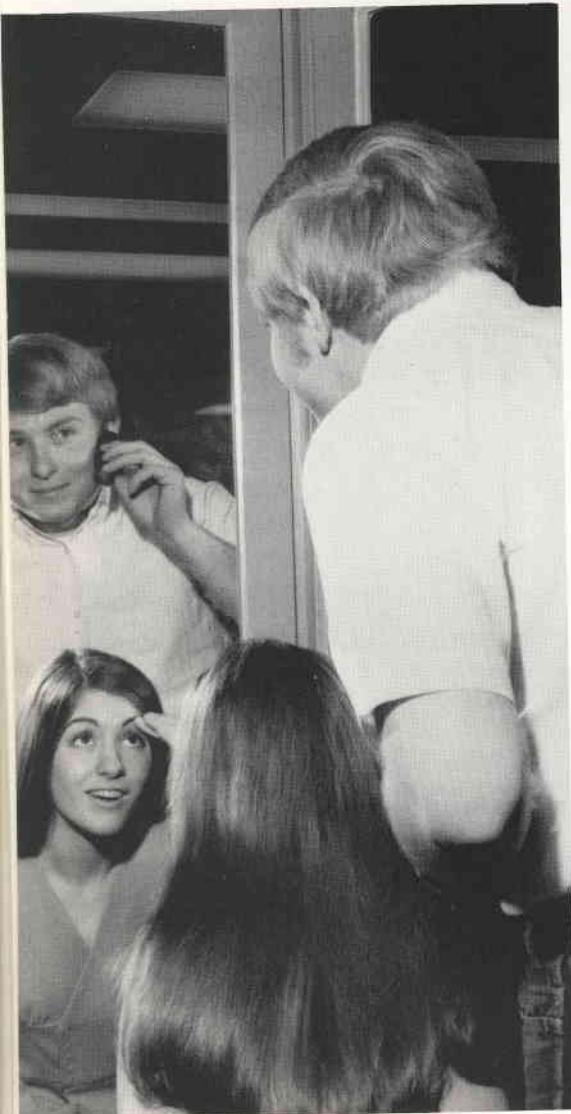

Every year seniors vote on mock elections. In larger schools this policy has been abolished but in DeWitt the tradition has been maintained. The elections are for various categories. Students vote for the classmates that they feel best suit the titles of "Most Athletic," "Class Cut-Ups," and various others. Among the other classifications there are "Most All-a-Round" and "Best Personality" which exemplify good friendship qualities in fellow classmates. The results of the last category, "Best Looking," are shown below as Becky Bouts and Craig Panwas "spruce up" during the school day.
