Class meetings often ended in mass confusion as seniors had great difficulty in settling most matters. Class colors - Caps and Gowns - Class Flowers - Senior Pictures - Ordering Graduation Announcements - Class Motto - Class Song - Prof at King Arthur's Court - Banquet in May - Open Houses - Baccalaureate - GRADUATION! The class officers were (above left), President, Ann Berkimer; Vice-President, Debbie Clisch; Secretary, Bev Fowler, and Treasurer, Linda DeLine.

Mr. Doug Kostal (above) sponsored the "Class of 71." Mr. Kostal, graduate of Michigan State University, came to DeWitt in the fall of 1969. He teaches chemistry, chem. study, physics, and introductory physical science. He began advising the class in its junior year, helping them with such major projects as the planning and staging of the Junior-Senior Prof and Banquet. He also coached the girls to victory in the powderpuff game during their junior year.
