

## Determination, Athletic Dedication Result In Top Honors

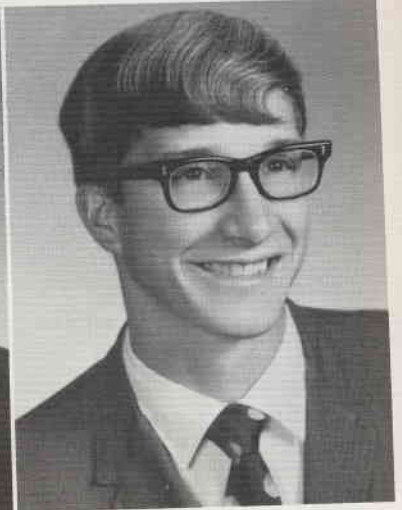

Senior football players, Steve Shootz and Roger Wardell were named to the 1971 Class C All-State Team.

All-State Center Steve Shootz was a varsity player for three years, and an All-Conference selection for two. Determined that a broken left hand would not hinder his play during the last half of the season, Steve displayed skill at various positions, besides being the team center.

All-State Tackle, Roger Wardell was also named to the All-Conference roster as an Offensive and Defensive Tackle, for the past two seasons. Voted Most Valuable Player, he has also received a four-year Varsity Award.
