

# In the Final Moments

**Just the right amount of break**—Trevor Seyka taps in this left-to-right three-footer to save his par. His senior leadership was vital to the success of this year's golf team.

**Advantage DeWitt**—The girls' tennis team was always on top this season. The core of their team, Keri Bara, Nicole Belknap, Katie Luethge, and Michelle Kurkowski, shout words of encouragement.

**As good as gold**—Midfielder Luke Bailey moves downfield to set up the next goal. Teamwork and hustle are the main components of soccer. Luke practices both on a regular basis.
