Taking a breather—On the sidelines is Brian Wardell. Brian is a nice guy off the field, but nobody messes with this middle linebacker on the field. His great work ethic will take him far in life.

Sleight of hand—Keep your eyes on your lunch when you sit near blond, bespectacled Chris Fizzell. This mighty magician of the mundane is liable to make your lunch disappear.

Poised for greatness—Sean Merrill watches his fellow students compete in Spirit Games. Sean is one of DeWitt's finest all-around students. He is always ready for whatever life throws at him. Sean has yet to decide his future, but he has narrowed down his choices to a field dealing with the environment.

Look at that gorgeous smile!—Known around the school for his charming, charismatic nature, Evan Nuffer is definitely a mother's dream. While the Spirit Games enthrall everyone around him, Evan seems content to sit pretty and smile for the camera.
