

**Eye to ball contact**— Concentrating with all might, Chad Bandilla/Tortilla lines up his club hopes of hitting a straight shot and a long drive. Chad is thinking that he wished there were cheerleaders to pump him up because, as his expression shows, he is a little unsure of himself today.

**Megabytes on the mind**— The computer has taken over the brain and body of Jeremy Burgdoff. He has turned into a computer zombie and is on a mission to break the codes of the Uruguayan government. He is a true hacker.

**"Gosh I hate all this technology junk!"**— Marissa Mauro contemplates what exactly she's supposed to do with this box shaped object with a screen and a bunch of buttons. Oh wait, that's a computer.
