

A student teacher—Coming up with the right answer isn't always easy, even for these two smart guys. Tim Dixon tries to explain the impossible, unexplainable rules of calculus to Scott Shaw. Scott looks on, still confused, but entertained with a delicious sucker supplied from Mrs. Black's desk.

1-2-3-4-5-6-7-8-9-10 (clap, clap)— Before each game the football team stretches, counts, and claps in unison. This is a good team bonding time for the players, it brings them together. The senior leadership of Ryan Petty and Tony Philip showed throughout the entire season.

Providing a helpful hand— While Mrs. Rypstra critiques Brooke Bovee on her English paper, Brooke listens carefully to learn how to improve her writing skills. She revises her paper and ends up getting an A, but only after countless hours of hard work and dedication.
