

**One for you, four for me-**Dividing up her delicious treats amongst her pals at lunch, Holly Herta shows how cupcakes bring out her selfish side. Eric Fancett and Krista Robertson pause a minute to consider the fairness in this situation.

**Grow up!**-Angry at the childishness of her fellow senior classmates, Sarah Faggion attempts to ignore the immature joke between Jessica Showers and John Harpst. Adam Thelen stares at the wall in disbelief of what Jessica has just said.

**Chug, Chug, Chug-**Being the only female chugger for the seniors, Becky Reed showed all of those boys what was what. Everyone knows that Becky is "Queen of Chug."

**Holy Cow!**-Those seniors can't believe that the freshman football team actually scored another touchdown. The senior guys watch in awe as the frosh run up the score once again.
