## What is your best high school memory?

*"Convincing Andrea Ryan to follow Mr. Rypstra around the lunchroom pushing the trashcan on wheels and watching the trash cans collide."*

• Chelsea Ludwick

*"When I went to states with Dan Bush, about twenty of his friends came to watch, and I made myself believe that they came to watch me."*

• Shane Martin

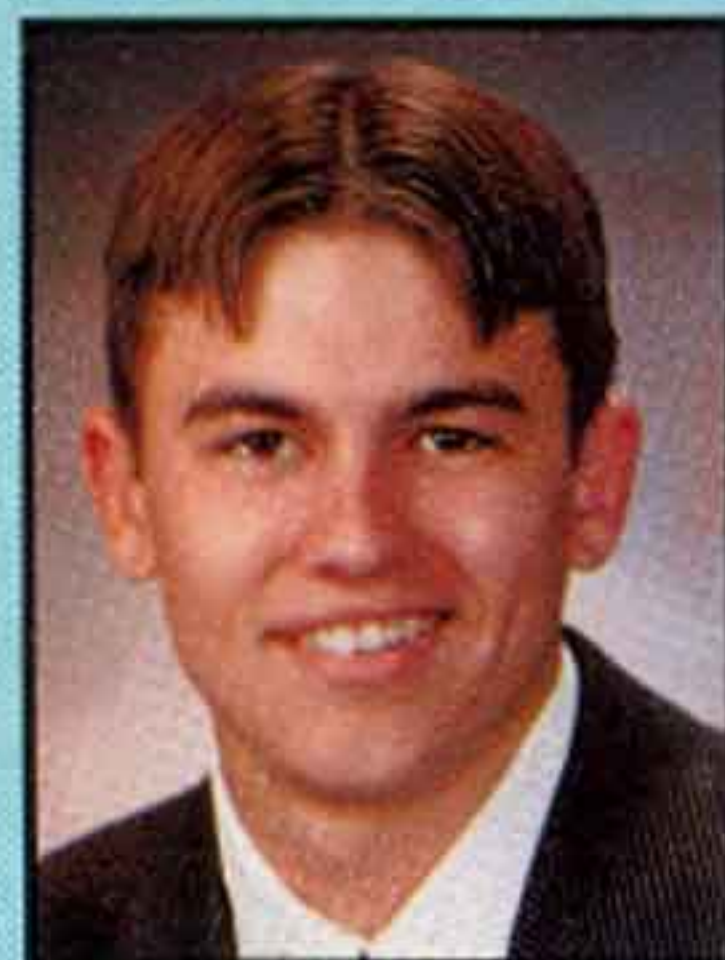

*"Freshman year, Nicole Stanley and I walked by a tower of pizza boxes in the lunchroom and they fell down. I kept walking and the whole lunchroom clapped and laughed at her. She had to clean them up all by herself."*

• Katie Overmyer

Eeekkk—Thursday, October 14, 1999. The helium capacity reached its peak. Kelly Taylor can now fly. Tiffany Connell up to catch her best friend, but there is so much helium in Kelly it takes Tiffany along for the ride too.
