Jack and Jill

Trying to get some work done in Senior Health, Julie Hatch gets distracted by her boyfriend, Jimmy Chestnut. Senior Health is a really fun required course that allows every student to be highly involved in the learning process during class.

Beat the Clock

Focusing intently on the work ahead of her, Sarah Oliver, works on her homework during PRIDE with the hopes that she will not have so much to do at home. Senior year has a lot of Advanced Placement classes offered that can add a challenge to any student's life.
